## Happy Days Are Here Again, U. S. S. C. Workers Back On Job

Smiles were evident on the faces of workmen of the U. S. Sugar Corporation Monday following a session at the Belle Glade Armory when the group voted to accept an offer of the company which ended the work stoppage that had been in effect for 30 days. Smiles were even broader on Tuesday morning at seven o'clock when 450 workmen in the Pahokee, Canal Point-Bryant area and Clewiston went back to work.

Happy days are here again as the tractors roll and machinery is being reconditioned at the huge new mill at Bryant for another grinding season. Nothing of the kind—a work stoppage—had been experienced by the workmen or the company in more than two decades of splendid cooperation. However, not an unkind word was uttered about the sugar company in the presence of this writer who made it a point to listen for rumblings during the 30 day stoppage.

Many workmen, who were sweating out the delay in starting back to work, expressed their hope that the whole thing could be settled amicably before many more days passed, so that they could get on with their work of growing and processing sugar cane.

The workmen will get two more holidays out of the settlement—Memorial Day and Veteran's Day. The Veteran's Day holiday will holiday start in 1967. Many of the workers received wage increases, bonuses and other considerations which made for an amicable settlement for all concerned.

It seems good in a community where the greatest of all of its payrolls is again to be realized. With the beginning of a new farming season and the stoppage of work for the sugar company—happy days are here again.

## Lions Hear Of Low-Rent Housing

Dr. R. L. Hatton, first vice president, presided at the Pahokee Lions Club meeting on Tuesday in the absence of the president, Lewis Collins.

J. W. Vann, executive secretary of the Pahokee Housing Authority, was in charge of the program. He discussed and acquainted the club with the plans of the Pahokee Housing Authority for building low-rent housing. He explained that the purpose of the Authority was to build low-rent housing, not to compete with private owners, but to have safe and sanitary housing facilities for low income group that private investors cannot afford to do. The Authority provides facilities for those in the low-income bracket who wish to improve their standard of living.

Guests at the meeting were Harvey Hotard, Belle Glade Lion, Darrel Douglas, son of J. D. Douglas, Tim Griggs, Pahokee, Ray Alston, and Hugh Nielson, both guests of Albert Gamot, Jr.

## First Weekly Meeting On August 30

Associate County Agent John Causey said this week that plans are complete for the weekly "coffee" to be held this season by the growers of the area. The first one will be held at the civic center in Belle Glade on August 30 with Kilgore Seed Company of Belle Glade as host. The meetings will alternate between Belle Glade and Pahokee, Causey said.

Labor and management will be the topic for the first meeting, the agent said. Leon Miller of A. Duda and Sons, will be the guest speaker.

The agent said that the weekly gatherings do a great deal to keep the growers "in touch with each other" during the planting and growing season. Many new ideas are discussed when the growers get together, the agent said, and just good comes out of each meeting.

## Jr.-Sr. Schools In Pahokee On Double Sessions

Double sessions are the order of the day for Junior-Senior High School students in Pahokee as the time rolls around for the opening of school on Monday, August 29. Until completion of the elementary school building now under construction double sessions are necessary, Principal Brooks Henderson said yesterday.

First session is scheduled to start at 7:15 a. m. and last until 12:10 p. m. This session is for the Senior high school group, Mr. Henderson said.

The principal said there would be a five minute lull before the Junior high school group goes into study at 12:15 p. m. and continues until 5:05 p. m.

Seventeen new teachers are on the staff in the Pahokee schools this year, according to the principal. There will be approximately 400 students in the upper six grades at Pahokee school this year.

## Chamber Will Elect New Officers

The Pahokee Chamber of Commerce held a special meeting on Monday night, August 15, and appointed a nominating committee to secure a slate of eight candidates for the election ballots for the board of directors for the next three years. Four of the eight candidates will be elected to serve on the board.

## 91 Schools And 56,000 Students

The Palm Beach County School System is large and growing larger every year. In 1948, it had only 14,000 students and 628 teachers; last year it had more than 56,000 students, and ended the year with almost 2,500 classroom teachers. It is estimated there will be an additional 2,100 students this year, and the Board has authorized 175 additional instructional units which, it is anticipated will include 130 extra classroom teachers.

Last year there were 87 schools (Grades 1-12), plus an Adult Institute and a Vocational School as well as one Junior College. This year there will be 91 schools (Grades 1-12), plus the Adult and Vocational schools and the Junior College. Many other schools have been considerably enlarged during the past year, ready for this 1966-67 school year.

As a postscript to the above, while on the subject of size, it is interesting to note that 6.6 million lunches were served in the school cafeterias during the 1965-66 school year.

All in all, Palm Beach County has a large, healthy and growing school system.

## Local Lions Hold Their Regular Meet

The Canal Point Lions Club met on Monday night at the Community Building in Canal Point with J. W. Repper, president, presiding. It was noted that the first Monday in September will be Labor Day and the meeting for that week has been postponed. The next regular meeting will be on Monday, September 19.

It was reported that the light fund is still not entirely complete. There are still a few people who haven't sent in their checks for the amount pledged. The Lions Club feels sure these checks will be sent as soon as possible in order to pay Florida Power and Light Company for street lights for Canal Point.

Mr. and Mrs. R. T. Smith are vacationing at Key West and other Keys this week.

"A Man Called Peter", based on the life of Peter Marshall, written by Catherine Marshall, is a three-act play which will be presented under the auspices of the Canal Point Baptist Church Youth Council on Sunday evening, August 28, at 7:30 p. m. at the Canal Point School auditorium.

The play will be enacted by the youth of the Northwood Baptist Church under the direction of Bill and Jayne Goode. Thurmond Knight, Jr., a former local resident, will play the leading role of Peter Marshall.

The cast played to a capacity crowd of several hundred in the Northwood Baptist Church on Friday, August 12. They have since accepted engagements in other cities as far away as Titusville.

This play is a spiritual thrill as well as a Christian comedy, set in the Manse in Washington, D. C. There will be no admission charge but a free-will offering will be taken for "The Baptist College" in Palm Beach Gardens.

This will be a combined effort of the youth of Canal Point Baptist Church and Northwood Baptist Church to support the local Baptist college campaign.

The public is cordially invited to attend this performance. After the play a reception will be given by the youth of the local church for the cast and the youth of the community in the recreation room of the church.

## Growers Will Elect Committee

The approaching election of ASC community committees for farm program administration in Palm Beach County was announced this week by E. E. Cooper, Chairman, Agricultural Stabilization and Conservation County Committee.

The community committees assist the ASC county committee in administering the price support, acreage diversion, agricultural conservation and other farm-action programs in the county; they are particularly responsible for keeping their neighbors informed about the programs. The county committee supervises the ASC county office and is responsible for the administration of the various programs.

Voting will be by mail, the Chairman explained, and ballots were sent to each known eligible voter August 16. In case an eligible voter fails to receive a ballot through the mail he should contact the ASCS county office.

Envelopes containing marked ballots may be mailed or returned to the ASCS county office anytime before August 28. Ballots will be tabulated publicly by the county committee on Tuesday afternoon, August 30, 1966, at the county office in the Glades Office Building, Belle Glade. The public is invited to witness the vote counting.

## Mrs. Ford Is Home From Vacation

Mrs. Esther Ford and daughter, Mary Ann, returned Monday, August 15, from a two months' vacation. En route they visited the Harry Kiskinens in Orlando, the A. F. Smiths in Jeannette, Louisiana, and the Richard Milks in Durango, Mexico. They reached Guadalupe, Mexico June 25th and registered for summer school at Colegio Cervantes, sponsored by the University of Arizona. There were around 825 Americans from about 47 states.

The Americans are all placed with Mexican families who are non-English speaking. After six weeks of a marvelous school term, they were joined by Miss Adeline Farnsworth, Mrs. Ford's sister, from Los Angeles, California, to spend another week in Mexico City.

Last year they had 10 flat tires and bought six new inner tubes and two tires (having started with six new tires). This year, no flats, however, when making a left turn with the lights, a man in a Renault ran the red light and ran into Mary Ann's front bumper. Mary Ann had to be bailed out of the police station, the car was impounded for a week. It took nearly two weeks to get the car repaired, with Mary Ann spending about five hours daily of the last three "mananas" waiting for the car.

Ray, Mrs. Ford's son, is in Norway with Andrews University Tour but due back in Canal Point the end of August. He was glad to leave East Berlin and be back in West Berlin.

The dinner will be held at the Jacksonville Civic Auditorium and Mayor Lou Ritter of that city has accepted appointment as host.

Final plans were worked out at a meeting between Thomas and members of the Democratic party Finance Committee and Bob High campaign leaders in Mayor High's law office.

## Heroes Of Bataan Gather In Naples

NAPLES, (FNS) About 75 survivors of the Bataan death march gathered in Naples last week to observe the 24th anniversary of the infamous World War II trek. They came from states as far away as California, Minnesota, Connecticut and New York.

Dan C. Irwin, a dental technician of Naples who participated in the death march as a 19-year-old private, conceived the idea of the reunion eight years ago and it has developed into an informal association without dues or membership rules.

Besides reminiscing about the march and their experiences as Japanese POWs, the veterans planned for the 25th observance next spring which will take place on the scene in the Philippines.

Entertainment for the three day meeting included a tour of Marco Island, a fish fry, a tour of Caribbean Gardens and a program of golf and other sports.

Capt. Don Adams will return Sunday after spending the past two weeks at Camp Shelby, Mississippi.

## Witnesses To Gather Aug. 24-28

Miami Beach, Florida will be the site of the "God's Sons of Liberty" District Convention of Jehovah's Witnesses this summer, August 24-28, announced Jean C. Rainbow, overseer of the Belle Glade congregation.

The five day convention will be held in the Miami Beach Convention Hall, location of the annual Miss Universe contest.

This is one of 13 conventions held this year in the United States and Canada sponsored by the Watchtower Bible and Tract Society. It will have an attendance of more than 12,000 coming from over 35 states and 5 foreign countries.

Rainbow advised the local congregations to begin making reservations now if they have not already done so, as the attendance is expected to go higher. "The thrilling program at the first convention in Toronto, Canada, held earlier this summer, has heightened interest in the meeting at Miami Beach," he said.

Rainbow reported that over 600 volunteer workers from the Miami area congregations have been working since July 1 to obtain sufficient accommodations for the delegates.

"An outstanding feature of the convention" said Rainbow "will be staged demonstrations of actual Biblical scenes portraying the lives and ministry of real Bible characters."

## Bonnie Lair Weds L. L. Branch

Miss Bonnie Lair of Pahokee and Larry Lavon Branch of Bushnell were united in marriage in an impressive double-ring, candle-light ceremony held in the First Methodist Church at Pahokee Saturday evening, August 13, at 8:00 o'clock, with Rev. John A. Briley, pastor, officiating.

Altar decorations featured a background of potted palms centered with a sunburst of white gladioli, mums and stephanotis. Lighted tapers were at the church windows, which were framed with palm fronds.

The bride is the daughter of Mr. and Mrs. I. Marshall Lair, 315 East Main Street, Pahokee. She graduated from Pahokee High School in 1962, attended Florida State University, Tallahassee, and graduated from the University of Florida, Gainesville, receiving a Bachelor's Degree in April 1966. She is a member of Pi Beta Phi social sorority and Phi Alpha Theta national honor society in history.

The bridegroom, son of Mr. and Mrs. J. L. Branch of Bushnell, Fla., is a graduate of Sanford Preparatory School, Hockessin, Delaware. He has served for four years in the U. S. Air Force and is now a student at the University of Florida.

Dr. R. L. Hatton, vocalist, sang "The Wedding Song," accompanied at the organ by Miss Jann Plumer, who also played traditional nuptial selections.

Mrs. Jimmie Vandegrift of Pahokee, sister of the bride, was matron of honor. Her ankle-length gown of yellow satin was styled with Empire A-line, and her head-dress was a spray of pink rosebuds. She carried a single pink rose with flowing satin streamers. Bridesmaids were Mrs. John Hundley of Pahokee and Miss Sue Sheridan of Canal Point. Their gowns, headdresses and flowers were identical to those of the matron of honor, except Mrs. Hundley's gown was of green satin and Miss Sheridan's blue.

Little Anji Roberts of Tallahassee, cousin of the bride, as flower girl wore a gown identical in color and design to that of the matron of honor and carried a pink basket from which she scattered sweet-heart rose petals. Eric Yohn of Orlando, nephew of the bridegroom, served as ring bearer.

Escorted to the altar and given in marriage by her father, the bride wore a floor-length gown of silk over taffeta, fashioned with Empire bodice, scooped neckline and full-length buttoned sleeves. The waist and skirt were accented with embroidered Alencon lace. The A-line skirt extended from the waist into a chapel train. Her head was covered with a mantilla of Brussels lace, and she carried a bridal bouquet of stephanotis and ivy.

Jimmy Branch of Fort Myers was his brother's best man, Jimmie Vandegrift of Pahokee, brother-in-law of the bride, and Tammy Barnes of Bushnell served as ushers.

Mrs. J. D. Matthews of Luverne, Alabama, aunt of the bride, was director of the wedding and was in charge of the flower arrangements.

John H. Howell of Pahokee, uncle of the bride, was host at the reception in the social hall of the church following the ceremony. At the head of the receiving line, welcoming guests, was Mrs. Jess M. Elliott, followed by Mrs. Lair, mother of the bride, who was dressed in a pink silk cocktail suit with matching hat, and Mrs. Branch, mother of the bridegroom, who was in a blue silk dress. Both mothers wore corsages of cattleya orchids. Also in the line were the fathers of the bride and the bridegroom, the bride couple and the bride's attendants.

The bride's table, centered with a three-tiered wedding cake bearing two silver candles, had a crystal punchbowl at either end

and was lighted with candelabra at the base of which were nosegays made of French carnations and lilies of the valley. Mrs. Ellis Hall presided at the small table which held the bride's book. The floral arrangement on this table featured gladioli and mums in a crystal bowl with lighted tapers in Steuben candle holders. At another table, lighted with white tapers in silver holders, coffee was served from silver service.

Assisting the host at the reception were Mrs. William S. Plumer, Mrs. Mae Laffin, Mrs. Robert B. Simonson, Mrs. Lloyd Hundley, all of Pahokee, and two aunts of the bride, Mrs. W. M. # Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

*Higher interest on the  
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate. Ask about buying Bonds where you work or bank. For America's future. And yours.

**"Today, none of us can remain aloof on the sidelines."**

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

**Why should you buy U. S. Savings Bonds when there are so many other good investments?**

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
